Notes (please add anything of note)

Financial Policy 2025

Payments/deductibles and/or co-payments are due at the time of service. A payment of \$55.00 **OR** your Copay (if clearly marked on your insurance card) will be required at the time of service until we have verified your insurance. A current insurance card must be presented at the time service is provided. If charges are filed incorrectly due to outdated information, the complete balance then becomes your responsibility. Many of our families have Health Savings Accounts (HSA), or Health Reimbursement Accounts (HRA). You will be expected to pay at the time of service until your deductible is met. We accept cash, check, or any major credit card.

It is your responsibility to know the details of your insurance plan.

Please check which one of the following applies:

_____ **INSURANCE**

Check here for VA patients with active authorization)

If your insurance is a high deductible plan, the office will collect in anticipation of your finalized claim. Once your Deductible has been met, your co-insurance will be collected each visit.

_____ **MEDICARE/Advantage Plans (See ABN form)**

_____ **MEDICAID (Molina/Caresource/Ohio Job and Family Services)**

If eligible, you must bring a current Medicaid card on the first visits and at the beginning of each month Thereafter when receiving treatment.

_____ **WORKER'S COMPENSATION**

It is your responsibility to notify your employer and the doctor if you are seeking treatment from an injury sustained while on-the-job. This type of injury is classified as an industrial injury and will be billed accordingly. If the injury neglects to meet the requirements of the Industrial Commission and they will not pay, you are responsible for all charges incurred in this office. If you have an established claim, please notify the receptionist that you need to sign a transfer of physician form.

_____ **PERSONAL INJURY**

We do not accept third-party payer. We do not bill the at-fault. Dr. Hilbert/Dr. Young recommends that you immediately file a claim with your automobile insurance. We bill med-pay first. When all med-pay funds have been used we will bill your health insurance. At the time of service you will be responsible for the deductibles, co-pays, etc. If you do not have health insurance or med pay, then you are responsible to pay as treatment is received on the day of each visit by cash, check, or credit card. Each case is unique so please do not hesitate to ask the receptionist. Ultimately, you are responsible for all charges incurred for treatment in our office.

_____ **NO INSURANCE COVERAGE**

The goal of our office is to enable patients to gain control of their health. To attain this we believe communication is the key. There are often topics that are hard to understand and we hope this document will clarify those issues for you.

Please read the below and if you have any questions please feel free to ask one of our staff members.

Informed Consent:

A patient, coming to the chiropractic doctor, gives the doctor permission and authority to care for the patient in accordance with the chiropractic tests, diagnosis, and analysis. The chiropractic adjustment or other clinical procedures are usually beneficial and seldom cause any problems. In rare cases, underlying physical defects, deformities or pathologies may render the patient susceptible to injury. The doctor, of course, will not give any treatment or care if he/she is aware that such care may be contra-indicated. Again, it is the responsibility of the patient to make it known, or to learn through healthcare procedures what he/she is suffering from: latent pathological defects, illnesses or deformities which would otherwise not come to the attention of the chiropractic physician. The chiropractic doctor provides a specialized, non-duplicating health care service. Your doctor of chiropractic is licensed in a special practice and is available to work with other types of providers in your health care regimen. I understand that if I am accepted as a patient by a physician at Dr. Julie B. Hilbert/Dr. Burton T. Young's office, I am authorizing them to proceed with any treatment that they deem necessary. Furthermore, any risk involved, regarding chiropractic treatment, will be explained to me upon my request.

Consent to medical records submission:

Periodically medical records are requested by your insurance company and upon that request I agree to have all visit information sent.

Communications:

In the event that we would need to communicate your healthcare information, to whom may we do so?

Spouse: _____

Children: _____ No one

Others: _____

May we leave messages regarding your personal healthcare information on any answering device, i.e. home answering machines or voicemails? Yes No

Appointment Cancellation Policy:

Please provide 24 hour notice in the event that you need to reschedule. This will allow us the opportunity to provide care to another patient. A message can be left on our voicemail if we are unable to answer.

Repeated missed appointments without notice may result in termination of the physician/patient relationship.

As a courtesy, we make reminder calls, texts, e-mails one to two days in advance. If a reminder call or message is not received the cancellation policy remains in effect.
